I had a dream. Kind of a dilemma. At least this is how the fortune-tellers explain my floating over a cliff. My hesitation was : What do you chose over photography? A lover? Sure thing! A descent life? Not sure! Money? Not if you have enough!

This issue is dedicated to those who don't have the answers. To those who are overwhelmed by questions, dilemmas, confusion ... la souffrance quoi.

Do we jump over a cliff? Do we step back and try to avoid the unavoidable? Do we go with the flow wherever that brings us? Do we keep hunting muses just to watch them disappear in bourgeois apartments and comfortable lives?

Don't wait for an answer! Just take the picture! The next one will save you.
