***“It’s already 8 years since this adventure started!
We have been a great team, with thousands of
members, tens of admins, always changing and
bringing their vision of what is photography.*”**

Photography is a peculiar state of mind. After many years of quest, people get 'healed', they stop photographing only to come back after a while.. Others simply cannot take the burden and they stop. Most of them stay anonymous, as do their subjects, as do their dreams.

These are photographers that come and go in SCP, they come and go in photography, they come and go in life . . .
